AVOID FROZEN PIPES

January is typically the coldest month of the year in Tallahassee. When temperatures dip extremely low, be sure to take measures to prevent water pipes from bursting. Unlike other liquids, water expands when it freezes. When water pipes freeze, the expanding water can break the pipe. Find tips to help avoid a cold, wet mess at Talgov.com/ColdWeather.

PROPERTY TAX EXEMPTIONS

If you own and occupy property in Leon County, you may qualify for one or more property tax exemptions. March 1 is the filing deadline for each tax year. Eligibility is based on your permanent residence

status as of Jan. 1, and exemptions do not automatically transfer between properties. Do not miss your opportunity to save on your property taxes! To learn more, contact the Leon County Property Appraiser at 850-606-6200 or visit leonpa.org.
