Why life insurance makes sense

What does term life insurance protect?

Let's start with your finances.

- Life insurance can help cover your family's needs if you're not there, including food, bills and debt.
- It can help pay for your children's education.
- It can help ensure your family stays in their home.
- And help take care of those who depend on you.

In short, life insurance can help replace your paycheck if you aren't there to earn it.

When life changes, so should your life insurance.

- New family members, a new job, a move or even a raise all mean that your life insurance needs have changed.
- Review your protection every year during your benefits enrollment.
- There's even a possibility your financial needs may decrease over time.

Now that you know how life insurance can help you protect those who depend on you, take a moment and get the coverage you need.

Make sure you learn more and enroll today!

Life insurance costs less than you may think.

- With term life insurance, you can protect your family for a small fraction of your annual salary — about 1%, according to MetLife estimates.¹
- Compare that to the fact you're insuring years of income.

Life insurance is a smart financial move.

- Life insurance is a predictable financial option.
- Beneficiaries receive the proceeds of your policy income-tax free.²

- A rule of thumb is 60% of your annual income times years to retirement. Try our coverage estimator tool at metlife.com/MyBenefits.

MetLife, its agents and representatives may not give tax advice and this document should not be construed as such. Please seek advice based on your particular circumstances from a qualified tax advisor.

Like most group life insurance policies, MetLife Group Life Insurance policies have certain exclusions, limitations, reductions of benefits and terms for keeping them in force. A MetLife representative can provide you with costs and complete details.

What's Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year for group policies issued in Missouri, North Dakota and Colorado) of the effective date of the certificate or an increase in coverage. This exclusionary period is one year for residents of Missouri and North Dakota. If the group policy was issued in Massachusetts, the suicide exclusion does not apply to dependent life coverage. The suicide exclusion does not apply to residents of Washington, or to individuals covered under a group policy issued in Washington.

Please note that a reduction schedule may apply. Please see your employer or certificate for specific details.

Accidental Death & Dismemberment (AD&D) coverage complements your Supplemental Life insurance coverage and helps protect you 24 hours a day, 365 days a year.

Accidental Death & Dismemberment Coverage Options

This valuable coverage benefits beyond your disability or life insurance for losses due to covered accidents — including while commuting, traveling by public or private transportation and during business trips. MetLife's AD&D insurance pays you benefits if you suffer a covered accident that results in paralysis or the loss of a limb, speech, hearing or sight. If you suffer a covered fatal accident, benefits will be paid to your beneficiary.

Voluntary AD&D Coverage Amounts for You:

- You also have the option to enroll for Voluntary AD&D insurance.
 - For all employees:

Life Insurance

- Your choice of increments of \$25,000
- The maximum amount of coverage you can receive is \$150,000

Voluntary AD&D Coverage Amounts for Spouse/Domestic Partner and Child(ren):

- You can choose to cover your dependent spouse/domestic partner and child(ren) with AD&D coverage. Your dependents will be eligible for the following coverage:
- **Dependent Spouse and Child(ren):**
 - Spouse/Domestic Partner — 40% of your coverage amount
 - Child(ren) — 10% of your coverage amount
- **Dependent Spouse/Domestic Partner only:**
 - 50% of your coverage amount
- **Dependent Child(ren) only:**
 - 15% of your coverage amount

*Child(ren)'s Eligibility: Dependent children ages from birth to 26 years old, are eligible for coverage. Insurance will end on the last day of the calendar year. In TX, regardless of student status, child(ren) are covered until age 25.

Covered Losses

This AD&D insurance pays benefits for covered losses that are the result of an accidental injury or loss of life. The full amount of AD&D coverage you select is called the "Full Amount" and is equal to the benefit payable for the loss of life. Benefits for other losses are payable as a predetermined percentage of the Full Amount, and will be listed in your coverage in a table of Covered Losses. Such losses include loss of limbs, sight, speech and hearing. The maximum amount payable for all Covered Losses sustained in any one accident is capped at 100% of the Full Amount. **Standard Additional Benefits Include**

Some of the standard additional benefits included in your coverage that may increase the amounts payable to you and/or defray additional expenses that result from accidental injury or loss of life are:

- Seat Belt
- Child Education
- Hospitalization
- Child Care Center
- Spouse Education

What Is Not Covered by AD&D?

AD&D insurance does not include payment for any loss which is caused by or contributed to by: physical or mental illness, diagnosis of or treatment of the illness; an infection, unless caused by an external wound accidentally sustained or from food poisoning; suicide or attempted suicide; injuring oneself on purpose; the voluntary intake or use by any means of any drug, medication or sedative, unless taken as prescribed by a doctor or an over-the-counter drug taken as directed; voluntary intake of alcohol in combination with any drug, medication or sedative; war, whether declared or undeclared, or act of war, insurrection, rebellion or active participation in a riot; committing or trying to commit a felony; any poison, fumes or gas, voluntarily taken, administered or absorbed; service in the armed forces of any country or international authority, except the United States National Guard; operating, learning to operate, or serving as a member of a crew of an aircraft; while in any aircraft for the purpose of descent from such aircraft while in flight (except for self-preservation); or operating a vehicle or device while intoxicated as defined by the laws of the jurisdiction in which the accident occurs.

Accelerate Benefits Option¹⁰

For access to funds during a difficult time

If you become terminally ill and are diagnosed with 12 months or less to live, you have the option to receive up to 80% of your life insurance proceeds. This can go a long way towards helping your family meet medical and other expenses at a difficult time. Amounts not accelerated will continue under your employer's plan for as long as you remain eligible per the certificate requirements and the group policy remains in effect.

The accelerated life insurance benefits offered under your certificate are intended to qualify for favorable tax treatment under Section 101(g) of the Internal Revenue Code (26 U.S.C. Sec 101(g)).¹⁰

The Accelerated Benefits Option is also available to spouses/domestic partners insured under Dependent Life insurance plans. This option is not available for dependent child coverage.

If you experience an event that makes you eligible to convert your coverage, please call 1-877-275-6387 to begin the conversion process. Please contact your employer for more information.

REQUIRED DISCLOSURE STATEMENT FOR ACCELERATED BENEFITS

Limitations Of The Accelerated Benefit Option:

The Accelerated Benefit Option is available to insureds under the group life insurance policy. The Accelerated Benefit Option may provide benefits to pay for long-term care services but it is NOT part of a long-term care or nursing home insurance policy and the amount this benefit pays may not be enough to cover medical, nursing home or other bills. You may use the money received from the Accelerated Benefit Option for any purpose. Unlike conventional life insurance proceeds, accelerated benefits payable under this policy **COULD BE TAXABLE IN SOME CIRCUMSTANCES**. We recommend contacting a tax advisor when making tax-related decisions about electing to receive and use benefits under the Accelerated Benefit Option.

A. Consequences Of This Benefit:

Receipt of accelerated benefits **MAY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME (“SSI”) ELIGIBILITY**. The mere fact that you are insured under a group policy with an accelerated benefits feature may affect your eligibility for these government programs. In addition, exercising the Accelerated Benefit Option and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

B. Medical Condition Enabling Acceleration Of Life Benefits:

Terminal Illness is the only medical condition which qualifies for accelerated benefits under the group policy. “Terminal illness” is a condition that a physician certifies will reasonably be expected to result in a drastically limited life span as specified in the group policy.

C. Payment Options:

The accelerated benefit is payable as a LUMP SUM. You or your legal representative may select another payment mode, such as 3 monthly installment payments.

D. Premium For Accelerated Benefit:

The cost of the Accelerated Benefit Option is included in your regular monthly premium.

E. Administrative Expense Charge:

No additional administrative expense charges apply.
